THE PLACE TO UKULELE!

16 February 2023

YEAR 2 UKULELE GROUP 2023

Dear Parents/Carers,

Your child has attended an information session about joining a lunch time ukulele group for year 2 students. All students in year 2 are welcome, whether or not they have played before.

To join, your child will require their **own ukulele** and an **A4 plastic display folder**, both labelled with their name. A soprano ukulele can be purchased from most local music stores or online. The price range for a student soprano ukulele is usually \$40-50.

We would also recommend buying a **clip-on ukulele tuner** to allow for easy tuning before school. Alternatively, free ukulele tuner apps are available on iTunes and Google Play.

Rehearsal sessions will take place each **Thursday** during **First Half Lunch** in Miss West's classroom.

Finally, we would ask that you have a conversation with your child about their commitment to weekly practise sessions. While we are open to all students participating, consistent attendance is important in order to keep up with new content.

We look forward to our first opportunity to play together!

Many thanks,

Anna West

YEAR 2 UKULELE GROUP 2023

My child _____ of class _____ is interested in being a member of the year 2 Ukulele group in 2023.

I understand that the ukulele sessions take place every **Thursday** at lunchtime. I agree to send my child's tuned ukulele to school with them every Thursday.

Signed _____

Date _____
