TERM ONE NEWS – Year 1 & 2 (SHOW AND TELL)

Dear Parents,

This term we are asking the children to prepare a short talk on a nominated topic. The table below outlines the topics for each week of the term starting in Week Three.

Week 4 (starting 19 th Feb)	Talk about a natural & a built feature in the Blue Mountains
Week 5 (starting 26 th Feb)	Talk about a managed feature in New South Wales (e.g. farm, National Park)
Week 6 (starting 4 th March)	Draw a map of your street and tell us about it (include important features)
Week 7 (starting 11 th March)	How can we look after our natural environment? (e.g. picking up rubbish)
Week 8 (starting 18 th March)	Do you have a favourite place/environment to visit? What sort of environment is it? (natural, built or managed)
Week 9 (starting 25 th March)	Tell us one fact you know about forces. (pushing, pulling) Can you give an example of a force in action?
NOTE: Easter holiday occurs from 29 th March – 1 st April. Students whose news occurs on Friday 29 th and Monday 1 st will complete news on an alternate day.	
Week 10 (starting 1 st April)	Bring in something that you can use a push or pull force with (e.g. toy car, rubber band, play dough). Demonstrate the force and describe why it is push or pull.
Week 11 (starting 8 th April)	Tell us about your plans for the holidays.

The children should structure their talk by using the focus questions WHO, WHAT, WHEN, WHERE, WHY AND HOW. The children should be prepared to answer questions from their classmates.

Please take the opportunity to talk with your child and help them to prepare for their show and tell.

We thank you for your assistance,

Stage 1 Teachers
