

## SPRINGWOOD PUBLIC SCHOOL P&C UNIFORM SHOP

The Uniform Shop at Springwood Public School endeavours to provide a predominantly unisex selection of uniforms that are as comfortable, inclusive, and practical as possible for our active and busy students. We seek to keep prices low and competitive while still raising funds used by the P&C to support our school. Our school Uniform Shop is operated by P&C volunteers throughout the year.

**The Uniform Shop is no longer accepting the old order forms. Purchases can be made via the following:**

**MONDAY open hours 9-9:45AM** (subject to Covid-19 impact) - In person from the Uniform Shop during opening hours via cash or EFTPOS. Alternative hours occur occasionally at the beginning of some terms/during the summer holidays at the coordinators discretion.

**TUESDAY TO FRIDAY** - By phoning/visiting or emailing the school office and placing an order to the office staff. Orders will be prepared each Monday morning and require payment either by sending in correct cash or by EFTPOS in person at the office. Note that payment can NOT be made via the school website, bank transfer, SkoolBag or over the phone. Paid for orders will be forwarded to the children's classrooms, and orders awaiting EFTPOS payment will be kept at the school office. If the uniform shop experiences closures due to Covid-19 impact enquiries directed to the office about second hand/discontinued items will be noted, and a selection of items may be made available to be viewed and purchased any time during school office hours from Tuesday.

**ANYTIME** - Online at [www.flexischools.com.au](http://www.flexischools.com.au). Current and brand new uniform items are available online only. The cutoff for orders is each Thursday at 9am to be prepared the following Monday morning then forwarded to the children's classrooms.
