Class Requirements for 2025

Welcome to Years 5 & 6, 2025. The fee covering the cost of Maths textbooks, exercise books, in class programs and other stationery supplies will appear on your statement of account early in the new year as a 'resource fee'.

Many of the materials your child needs during the school day are supplied by the school. To ensure a smooth beginning to the term, it would be appreciated if you could check that your child is equipped with the following supplies:

- It is important to note that Stage 3 students write in black pen in all but their Maths books, so a steady supply of new pens is essential during the year. Students cannot write in felt tip pen in their books, however felt tips pens are very useful for publishing.
- It is useful to write names on glue sticks or any other larger objects to avoid mix-ups.
- **Students need to bring in new supplies on a regular basis to replace those items that have been used, lost or broken. Missing supplies can become quite a problem as the year progresses. Don't wait for your child to ask for new equipment, as experience tells us most of them won't!**

Kind Regards
