The Place To Be!

Annual Parent Information Evenings and Welcome Back To school BBQ!

Welcome everyone to the new school year. At the beginning of each school year we hold Parent Information sessions so we can pass on all the information that you will need about your children's classes. This year we are also having a social get together after the sessions and providing a free sausage sizzle with the support of our wonderful P&C. On both days we will light up the BBQ and provide an opportunity for you all to socialise and make connections, meet new families, make new friends. All welcome. The Tuesday BBQ will be ready at 6.30pm. The Thursday BBQ will be ready at 6.30pm as well. We will have plenty of sausages available for the sessions that end at 7.15pm as well. Drinks and ice blocks will be available from the canteen as well. Look forward to seeing you all there!
