Welcome to the first day of Term 4!

We hope that you are all well rested and ready for a busy and exciting Term 4, beginning with our annual SPRINGWOOD SPECTACULAR concert on Tuesday night. There are still a few tickets left if you would like to purchase more, just pop into the office when you can or ring up on 4751 1333.

I also wanted to remind you all of the message I put in the newsletter on the last day of last term, I have reprinted here for you -

Sometime during the holidays could you all please have a talk to your children about - Bus Safety (for children that catch a bus to school and back home again) appropriate behaviour on the bus and also on the walk home from the bus. (We have had some complaints from community members who have seen our students getting off buses and behaving inappropriately). Also students that ride bikes to school, they are not allowed to be riding on school grounds at any time, they must walk to the bike stands as soon as they reach the front gate and they must also walk their bikes to the gates at the end of the day. This goes for toddlers who come to school with parents, there is to be no riding on playground and school grounds as we have had a couple of accidents in recent times with children not obeying bike rules. Scooters are still permitted to be used to attend school but must also not be ridden on school grounds. Skateboards are not permitted to be ridden to school at all. And, as always, helmets must be worn by all bike and scooter riders. Please also have the Stranger Danger talk with your children before we get back next term, it is always wise to have these conversations regularly. Thank you for your support in these matters.

We look forward to many student and school achievements this term to round off a very busy year and we thank you for your ongoing support of our wonderful school and community.

Remind your kids everyday how special they are and how much you love them! Hug the ones you love and hold on for an extra second or two, it makes a world of difference.

Art journaling is a way to visually express emotions, thoughts and memories.

It is done using art and words.

Art journaling helps you to be self aware and probe for answers.

It is inspiring, and motivating. It is a way for you to create your own self expression.

The best thing? Anything goes, AND you do not need to have any art experience at all!

There are no rules!

Take time out to do something for you, in a relaxed, fun, safe, non judgemental space.

\$40 with all materials supplied.

Tea & snacks provided. BYO mug.

As part of her mission to get women taking time out for themselves, Jade Forder from Creative Abyss is starting Intuitive Art Journaling Classes this month.

She was hearing yes to these questions:

- Are you so busy you don't know the meaning of "me time"?
- Are you wanting some time to be you, and reconnect without everyday distractions?
- Do you want to spend some time being creative?
- Are you 16-100 years old?

So, this class is her answer for you.

In this class you will:

- listen to a guided visualisation to get you in the right head space.
- learn about art journaling and the prompt we will be using to create your journal page.
- complete an artwork and have a grin from ear to ear because you rocked it! meet new people in a super friendly environment
- learn new skills that you can use at home
- feel happy that you gifted yourself some time to be you

This is not a strict art class, it is all about taking time for yourself to enjoy the process of creating. Jade often hears people saying they are no good at art or they are afraid to even get started. This class will help you get over this hump.

Sound like something you need? Book Now! Come and join us, in a relaxed, fun, safe, non judgmental space.

(In the spirit of taking time out for yourselves, this is a child free event.)

Bookings essential. Tickets available in her store www.creativeabyss.net/store
