Hello Everyone!

Welcome to Week 6 as we get ever so closer to the end of another busy school year.

With the recent fire activity in the Blue Mountains and beyond we ask that in times of high risk and localised fires/smoke, that our community members wait to be informed by the school via the Skoolbag App and notices on our school website before inundating the school phone lines with phone calls. If our lines are congested the emergency services will be unable to contact us. We are guided by our local Fire Services/RFS, Department and other emergency services and depend on them for accurate information and advice. Please be rest assured that our procedures for emergencies and evacuations are in place and ready for action.

Our postponed November Star Student Assembly is on tomorrow morning at 9.30am. Invitations have already been sent out. We also have our postponed Breakfast BBQ this Wednesday morning. As an addition this time we are lucky enough to have the owner of the Cassiopeia coffee franchises donating a variety of coffees for you on Wednesday morning. Please come along and support our wonderful school and our volunteers who give their precious time.

A reminder also that you are now able to purchase a DVD of either the K-2 or 3-6 shows of the Springwood Spectacular from the office for \$10 each.

Remind your kids everyday how special they are and how much you love them! Hug the ones you love and hold on for an extra second or two, it makes a world of difference.

VOLUNTEER ETHICS TEACHERS REQUIRED

Springwood Public School is currently in need of more ETHICS teachers to meet the demand for ethics classes. Ethics classes are provided each week (on Thursdays) if parents wish as an alternative to Special Religious Education (SRE) or Scripture classes.

We rely on parents, grandparents and community-minded people to become ethics teachers. Teaching ethics classes is a rewarding way to be involved in your local community, learn new things and help children develop really important skills for life.

Ethics classes support children to develop the skills they need to voice their opinions, consider the ideas of others and to make decisions based on evidence and reasoning rather than habit or peer pressure.

The curriculum is fully approved by the Department of Education and has been professionally developed. Topics are age-specific and include telling the truth, being kind, forgiving, fairness and empathy, disagreeing respectfully, working out what is true, listening to others and taking turns to speak.

Comprehensive training and support is provided. Previous teaching experience is not required.

If you or someone you know are interested and to find out more visit PrimaryEthics.com.au or phone the SPS Ethics Coordinator Susan on 0435 057 225.

From the Yoga Room

We are now taking bookings for next year.

K-2 Wednesday pms 3:30-4pm

3-6s Tuesday mornings 8-9am (in the school hall)

We also have great news from the Yoga Room!

We are now a registered Active Kids Providers which means you may use your Active Kids vouchers for our fun school-based kids yoga classes and teen classes too.

Kids yoga gives kids tools to cope with the tides of life, is loads of fun in a safe and caring environment.
