Monday 25th November, 2019

Hello Everyone!

Welcome to Week 7.

What a wonderful Hire-A-Helper day we had last Friday. Thank you to all our Year 6 students who joined in the fun and the rest of the school for supporting them so well financially! All money raised goes towards our Year 6 Farewell and end of year events. Thank you to all involved.

A reminder also that you are now able to purchase a DVD of either the K-2 or 3-6 shows of the Springwood Spectacular from the office for \$10 each. Finally also, a reminder that the Taronga Zoo Kindy Excursion payments are due by close of business today. No late payments will be accepted and nil payment will result in the children being unable to attend this activity.

Remind your kids everyday how special they are and how much you love them! Hug the ones you love and hold on for an extra second or two, it makes a world of difference.

Mr Mehmet

Bubbles and Puddles is a collection of 12 rhyming stories - based on slowing down, enjoying our beautiful Blue Mountains, with a little magic sprinkled in.

The stories hold tips for managing various challenges children face - such as popping worries away in 'Belly Bubbles.'

Children's Book Author, and radio host for Northern Beaches 'By the Book', Brydie Wright:

Would heartily recommend this collection of holistic poetry for sensitive and creative children, of primary school age.

Keen readers ages 5-6 will need their parents help and there is a lot of text, so breaking it down to one or two poems before bed, may be the best way to foster appreciation and a love of repeat reads.

For middle-primary readers, able to read independently and developing an interest in poetry, this book is the kind I can see them reaching for frequently, depending on their mood and which poem resonates on any given day.

The dream-like illustrations (which conjure up fairy tales of yore), are pure escapist joy and will help ensure this book's long shelf-life, along with the heartfelt verse, which pays tribute to the way the author's daughter, Amali, views the world.
