Hello everyone,

I recently put some information in the Newsletter about traffic safety around the school and I have again received complaints from our school community about the speed at which cars travel in car parks and around the school. 40km/h zones are active every school day on public roads around schools. If you drive into the school car parks the speed limit is 10km/h. Please be careful for the safety of all our students and toddlers and other parents. After the rain on the weekend the Burns Rd car park has become quite muddy and slippery so will be closed for a couple of days while it hopefully dries up. Thanks for your patience.

Last week we also had a bit of a blitz on Bus Duty behaviour in the afternoon, with a number of teachers including myself boarding the buses to talk to students about acceptable behaviour. This was prompted by a small number of students who seem to think it was ok to start misbehaving as soon as the 3.25pm bell rang, rather than making their way to the bus lines ready to board buses. If your child/children catch a bus to school and home, please take a couple of minutes to remind them of acceptable behaviour on public transport and that they are still representing themselves and their school while travelling. The bus company has contacted us with their concerns and we are currently monitoring the behaviour. Thank you for your support.

REMINDER - Kindergarten 2020 enrolments are now OPEN! If you have a child at home that is ready for school in 2020 please contact the office as soon as possible so we can get you into our system. Ask your friends and neighbours too! Please put the following dates into your diaries for the 2020 Kindergarten Orientation sessions – Thursday 7th, 14th and 21st of November. All Welcome at The Place To Be!

Remind your kids everyday how special they are and how much you love them! Hug the ones you love and hold on for an extra second or two, it makes a world of difference.
