Hello everyone,

What wonderful ambassadors our students are whenever they represent the school in any events outside of school. Last Friday our students were involved in the inaugural Community of Schools Showcase at Springwood High School for a matinee and an evening performance. As usual our students represented with the highest level of enthusiasm and commitment through dance, cheer and band. Congratulations to all our students and also a massive thank you to our teachers who tirelessly work to prepare the students for these events. Our students and staff also represented our school and the Blue Mountains Schools' Film By The Eucalypts short film festival on Friday night at the Bryan Brown Theatre in Bankstown. This was the inaugural awards night for all the film festivals around the State. Our Film By The Eucalypts event received an award on the night which was presented by Bryan Brown. Our students are currently busy making their short films ready for the entry deadline next term.

Our next P&C meeting is on tonight at 7pm. All invited, snacks provided.

Our Burns Rd parent car park continues to be partially closed thanks to the lovely and much needed rain. Please be careful and stay under 10km/h whenever on school grounds.

**REMINDER** - Kindergarten 2020 enrolments are now OPEN! If you have a child at home that is ready for school in 2020 please contact the office as soon as possible so we can get you into our system.
