*Towards 2022 @ The Place To be!*

---

Monday 15<sup>th</sup> of November, 2021

Hi Everyone and welcome to Week 7 of Term 4.

Thank you to Mrs Excell and Mrs Maloney who held our 2022 Kindergarten Orientation Zoom meetings last Thursday and Friday. If you by any chance have forgotten to enrol your child for 2022 please contact the office as soon as possible! It's not too late.

Thank you to all our families that continue to abide by Government regulations in regards to Covid testing. With increasing school incidents of Covid throughout the State, a timely reminder -

## **Student attendance at school**

- All students are expected to be at school unless they are unwell. Do not attend school if unwell, even with mild symptoms. Get tested for COVID-19 and follow NSW Health directions. Find your local [testing clinics](#).
- If you have any COVID-19 symptoms you will be sent home and must not return to school unless you have either:
  - isolated for 10 days, when no medical certificate is available
  - a negative COVID-19 test result and are symptom free.
- In circumstances where a student has other medical reasons for recurrent symptoms, a letter from your GP is sufficient to negate the requirement for a negative test.
- Self-isolation periods and testing requirements differ for close contacts based on their exposure and vaccination status. If you are identified as a close contact, an authorised contact tracer from NSW Health or from the department's Health and Safety Directorate will contact you and let you what you need to do. For more information, refer to the [NSW Health fact sheet on close contacts](#).

Our School P&C is once again organising a Ham and Turkey Drive. Keep an eye out for more information soon. We will also be having our last P&C meeting for the year as a general catch up on Wednesday 24<sup>th</sup> of November. More details soon.

*Have a safe and peaceful week.*

*Our School ducks have been very busy laying farm fresh eggs regularly since the lockdown ceased and would like to share their products with you! We have 4 boxes of half a dozen eggs for sale for \$5 each and they will be available for sale at the Burns Rd side gate this afternoon at 3.20pm if you are interested.*

### **What do I do with duck eggs?**

Use a duck's egg much as you would a hen's egg; **fry it, poach it, boil it, scramble it** or use it to **bake delicious cakes** if you wish. There is more yolk to egg white in a duck's egg than the familiar chicken's egg, and the colour of a duck egg's yolk takes on a richer, reddish-orange hue when cooked making it all the more attractive on the plate.
