STAGE 3 (Year 5 & Year 6)

Class Equipment Requirements 2019

Dear Parent/Guardian,

The students will be required to purchase their exercise books & text books from school. The resource fee covering the cost of these books and extra in class supplies will appear on your statement of account early in the New Year.

Whilst many of the materials your child needs during the school day are supplied by the school, in order to ensure a smooth beginning to the term, it would be appreciated if you could check that your child is equipped with the following supplies:

****It can be useful for children in stage three to have a memory stick to transfer files between home and school or between computers. Often Harvey Norman has cheap memory sticks in one of their sale bins near the registers, or places like Office Works sell multipacks if a few family members require one.*

Student Equipment List		
Black Biro (5) Red Biro (3) Pencils HB and 2B Black Artline felt tip pens for publishing	Scissors Glue Stick Coloured Pencils and Textas Eraser Medium Sized Pencil Case Library Bag A4 Blank Visual Arts Diary (Optional)	Protractor Pencil Sharpener Ruler Homework Book Display folder USB memory stick*** Box of Tissues

- It is important to note that Stage 3 students write in black pen in all but their Maths books, so a steady supply of new pens is essential during the year. Students cannot write in felt tip pen in their books, however felt tips pens are very useful for publishing.
- It is useful to write names on glue sticks or any other larger objects to avoid mix-ups.
- Students need to bring in new supplies on a regular basis to replace those items that have been used, lost or broken. Missing supplies can become quite a problem as the year progresses!

Most children already have many of these supplies and will only need to check that nothing has been missed.

Kind Regards
 Stage 3 Teachers
