

SPRINGWOOD PUBLIC SCHOOL P&C UNIFORM SHOP

The Uniform Shop at Springwood Public School endeavours to provide a predominantly unisex selection of uniforms that are as comfortable, inclusive, and practical as possible for our active and busy students. We seek to keep prices low and competitive while still raising funds used by the P&C to support our school. Our school Uniform Shop is operated by P&C volunteers throughout the year.

From Week 3 Term 2 2021 the Uniform Shop is eliminating and will not be accepting order forms, however there will still be three ways to purchase and pay for items:

MONDAY open hours 9-9:45AM (subject to Covid-19 impact) - In person from the Uniform Shop during opening hours via cash or EFTPOS. Alternative hours occur occasionally at the beginning of some terms/during the summer holidays at the coordinators discretion.

TUESDAY TO FRIDAY - By phoning/visiting the school office and placing an order with cash or EFTPOS payment to the office staff. Note that payment can NOT be made via the school website or SkoolBag. Orders with payment will be prepared each Monday morning and forwarded to the children's classrooms. Enquiries to the office about second hand/discontinued items will be noted, and a selection of items may be made available at the office after the shop closes to be viewed and purchased any time during school office hours from Tuesday onward.

ANYTIME - Online at www.flexischools.com.au. Current and brand new uniform items are available online only. The cutoff for orders is each Thursday at 9am to be prepared the following Monday morning then forwarded to the children's classrooms.
